## Organic farmer Mona suggests: Waldorf salad

Preparation: 1 hour and 40 minutes

Difficulty: easy

### Ingredients (4 servings)

400 g celeriac

250 g unsweetened yogurt

60 g walnuts

250 g Topaz apples

1 Romaine lettuce or radicchio salad

1 celery leaf

Salt and pepper to taste

### Preparation

Coarsely grate the celeriac, chop the walnuts and mix both together with the unsweetened yogurt. Season with salt and pepper. Allow to sit for 90 minutes. Coarsely grate the apple and add it to the celery and walnut mixture. Garnish with the chopped celery leaf. Add some Romaine lettuce or radicchio and serve with a smile.

### Mona's tip:

Potatoes boiled in their skins and Gorgonzola cheese make a perfect accompaniment to the Waldorf salad. Enjoy!
